

Use Cash Discount & Flat Rate pricing to get a competitive Edge.

Our Edge program combines Cash Discount and Flat Rate pricing to simplify the processing experience for you. With Edge, you will:

Secure one low rate on every transaction.

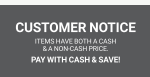

Know exactly what your processing fees are.

Edge is a great way to maintain the cash flow that is so important to small and mid-sized businesses.

Our innovative program also features:

A full lineup of state-of-the-art, Cash Discount-ready payment devices including our Payanywhere Smart Solutions suite and the Verifone Vx520.

Stickers (for your front door and registers) stating that the displayed prices are cash prices and that a service fee will be assessed for electronic payments.
